

Critical Information Summary

ADSL2+ Broadband Regional Plan

Information About Service

This Standalone Internet Plan provides you with a traditional ADSL2+ Broadband service with a monthly access fee. They are available to all residential customers in selected **Regional** areas throughout Australia.

The Inspired Broadband standalone ADSL2+ are available on a 24 months term and fees may apply for early termination. This is an agreement to supply the service at the address provided by you in your application.

The service may be relocated to another address subject to serviceability, but we cannot guarantee that your number or monthly access fee will be transferrable and fees may apply.

The service is available as a standalone product and you need to have an active telephone line.

Requirements & Availability

You will require a standard telephone handset to connect to the service.

Monthly invoices will be delivered either by post or electronically (you will need to supply us with a valid email address).

This service is available for approved residential customers, as specified in our Standard Form of Agreement; SFOA.
