

Critical Information Summary

Residential NBN™ Bundle Plans

Information About Service

The **NBN™** is a high-speed broadband internet and VoIP service which is currently being rolled out by nbnco. A connection with Inspired Broadband will provide you with access to the internet via the **NBN™** connection box. To get a Inspired Broadband **NBN™** service you must be in an eligible **NBN™** area as specified in our Standard Form of Agreement; SFOA.

Speeds:

Your broadband service over the **nbn™** offers download speeds into your home at up to **12/1 Mbps**.

Requirements & Availability

A standard installation of the **NBN™** equipment is included free of charge. If your installation is non-standard, nbn will discuss and obtain your agreement to any additional charges before starting the work. These charges will be incurred through Inspired Broadband and charged on your statement. You must be the owner of the property where the service is being installed. If not, you must obtain consent from the owner before proceeding with installation.

Beyond the **NBN™** Connection Box, your **NBN™** installer won't undertake internal wiring tasks and permanent cabling through wall, floor or ceiling cavities. This must be done by a registered cable installer if required.
